**MRS. A. McLUCKIE**  
**President, M.L.C.A.**

Mrs. McLuckie began curling in her early teens with her family — her father, mother, sister and two brothers. Quite often they would make up a family rink and enter into competition.

She was a member of the Eaton's Ladies Curling Club for nine years prior to 1938 when she joined the Elmwood Ladies' Curling Club and after holding many offices, she was elected as their President in 1949 and Elmwood's delegate to the M.L.C.A.

In 1954 she was appointed Publicity Chairman of the Western Canada Ladies' Curling Association and in 1955 appointed to the secretaryship of the Manitoba Ladies Curling Association holding this office for two years.

After being elected to the Executive Council of the M.L.C.A. in 1957, she became in turn chairman of the Reception and Credentials, Program, Prize, Finance Committees and Secretary of Provincial Playdowns.

In 1960 she was elected to the Finance Committee of the Canadian Ladies Curling Association at its organizational meeting held in Toronto.

Following her election as 2nd and 1st Vice President, she was elected President for the 1962-63 season.

She has been an enthusiastic worker, curler and supporter of the M.L.C.A. Bonspiel for many years, beside taking in country 'Spiels, and always promoting good-will within the curling circles.

## PRESIDENT'S MESSAGE

It is with a sense of deep humility and pride, that, as President of the Manitoba Ladies' Curling Association, I extend Greetings to the lady curlers everywhere. It is a double pleasure to offer these Greetings on behalf of our Executive and Executive Council.

We are hoping for even more entries from our clubs for our Provincial Playdowns. As in the past we will be playing for the Silver "D" Trophy, under the sponsorship of Dominion Stores Limited. This playdown is bringing the clubs closer together and making new friends for all of us.

This year will mark our 39th Annual Bonspiel starting on February 11th and concluding with the finals of all events on February 15th.

The finals of both these important events will be played at Elmwood.

The scores of the games you will play this year may soon be forgotten but the friends you will make will be yours as long as you live.

To our sponsors, our donors, our Executive and Clubs, I extend my heartfelt thanks. May you curl well and live long to enjoy for years to come, the friendships in that greatest game of all, CURLING.

Manitoba Ladies' Curling Association  
LURA M. McLUCKIE, President  
1962-1963.

# Greetings from the Premier

May I offer my very best wishes to the Manitoba Ladies' Curling Association as you begin your 39th season of activity and shared interest in the "roarin game."

I know that a very large part of the excitement and challenge of curling lies in the competition and friendly rivalry and in the desire of each of you to improve and perfect the skills that you bring to the game.

May your 39th season be an "eight-ender" season in every respect, as you continue the fine tradition of fun, fellowship and fitness already established by your association.

DUFF ROBLIN,

Premier of Manitoba.

## LADIES' CURLING IN VIRDEN

For 40 years ladies curling has been one of the sports enthusiastically carried on in Virden. Records show the annual meeting in 1925 with five rinks, and a full slate of officers.

There was invitation curling between neighboring towns and a keen competition for the Travelling Cup — known as "The Brotherhood Challenge Cup" — donated in 1921 by Mrs. A. Brotherhood formerly of Elkhorn, now residing in Toronto. It is a perpetual challenge cup for the ladies clubs within a radius of 50 miles of Elkhorn. Each competing club to be represented by two rinks, and total scores to determine the winner. The club holding the cup shall be subject to challenge from any club in the above mentioned radius. Elkhorn won the cup in March 11, 1960 and still holds it.

**The Trustees appointed and still are:** Mrs. J. Mooney (deceased); Mrs. C. Webster, Elkhorn (present address); Mrs. A. Travis, Elkhorn (living in Winnipeg).

Virden re-organized their club in 1948 after a decline during war years and became affiliated with M.L.C.A. By 1950 an active club with sixteen rinks (same number as 1962) taking part in Virden's first Ladies' Open Annual Bonspiel with entries from a large area, good curling and prizes second to none. Through the generosity of Mr. and Mrs. Dalton Power, the Virden Creamery's Annual Trophy was presented to the Club. Four engraved individual trophies are given each year to the winner of the Grand Aggregate in our open spiel. Nineteen fifty-two saw a rink participating in Provincial Playdowns and since then it has been a yearly event, much improved.

A Club Trophy for annual competition was obtained in 1956 and new Oil Derrick pins — signifying the era.

Progressing into a new rink in 1958, located in the recreation centre, making possible afternoon and evening curling Tuesdays and Fridays of each week.

Virden boasts of having the Western Division chairman as a member of our club, in the name of Doris Metcalfe.

We are pleased to act as hostess to the Western Division Playdown Finals on January 24, 25, 26, 1963.

A cordial invitation is extended to attend our 13th Annual Open Bonspiel February 4 to 9, 1963.

## SELKIRK LADIES' CURLING CLUB

1911 - 1962

This report was taken from the SELKIRK WEEKLY RECORD dated February 3, 1911. A meeting was held in the new curling rink on Monday last for the purpose of organizing a ladies' curling club. G. H. Fox occupied the chair, and S. G. Langton acted as secretary.

It was decided to organize the club, and fee was fixed at \$1.00 active players \$2.00.

Patronesses—Mrs. Montgomery and Mrs. Vaughan.

President—Mrs. D. O. Donohue.

1st Vice-President—Mrs. D. McDougall.

2nd Vice-President—Mrs. Fred Heap.

Secretary—Miss A. Moncrieff.

Treasurer—Mrs. Daly (Life Member of the M.L.C.A.)

Executive Committee—Miss C. Smith, Miss B. Overton, Miss R. Kirkpatrick, Miss Henderson, Mrs. J. Moody.

The new rink referred to in this report is of course the old rink on Fox Avenue. This rink had four sheets of ice, compared to the rink on Eveline Street, which had only two sheets of ice.

Up until this time the ladies could only curl at such times as during Hospital Bonspiels, Novelty Bonspiels, Mr. and Mrs. matches, etc.

During World War I curling in Selkirk was suspended for the duration. After the war the ladies no longer engaged in war work, took out their brooms and curling togs and again indulged in their favorite sport.

THE SELKIRK LADIES' CURLING CLUB celebrated their 51st anniversary as an organized club on Saturday, January 13th, 1962, serving a buffet lunch at the official opening of the new Selkirk Curling Rink located on Jemima Street. This fine rink has six sheets of artificial ice. A great many visitors and curlers attended this event making it a huge success.

We extend a hearty welcome to the District Winners for the Semi-Finals of the Eastern Division Provincial Playdowns to be played January 28th, 29th and 30th, 1963 at Selkirk, Manitoba. Come and "HAVE FUN."

## MANITOBA LADIES' CURLING ASSOCIATION

**As Amended April 21, 1961**

1. The Association shall be called the "Manitoba Ladies' Curling Association."
2. The object shall be to promote the game of curling in the Province of Manitoba and adjoining provinces and to unite all curling clubs into one organization.
3. The Membership shall consist of the Honorary Life Members of the Association and regular and Honorary Life Members of all Curling Clubs which may be received into the Association and conform to the rules thereof as adopted.
4. Any regularly constituted Curling Club shall be eligible to be received into the Association subject to the approval of the Executive Council.
5. Any regularly affiliated club shall, in addition to electing TWO (2) regular delegates, elect TWO (2) alternates from its own club so that such club shall have two accredited delegates at all regular meetings of the Association. Where a club delegates a party other than their regular delegates or alternate delegates to act on their behalf at meetings of the Association, notice in writing shall be given to the Secretary-Treasurer of the Association forty-eight (48) hours before the meeting in question, setting forth, 1. The name of the person to whom they are delegating their powers, and 2. The name of the affiliated club to which such party belongs and for which such party is already acting as a delegate. Such delegates shall not represent more than three (3) clubs in affiliation with the Association.
6. Any active member of the Manitoba Ladies' Curling Association in good standing shall be eligible for election to office in the Association.

# GENERAL BONSPIEL RULES

1. The number of draws each day will be decided and published by the Ice and Draw Committee of the Manitoba Ladies' Curling Association. All games shall be ten ends unless changed on the published draw sheets by the Ice and Draw Committee.

2. At starting times umpires shall give the starting signal, first in the waiting rooms, and immediately after on the ice. All rinks are to be on the ice upon which they are drawn to play at the time at which they are drawn to play.

3. If a competing rink is not on the ice ready to play when the signal is given and the opponents are ready to play, the umpire shall score against the late rink one point for every fifteen (15) minutes or fraction thereof it is late. Such penalty points are to be marked on score cards by umpires and must be considered in the total score of the game. Opponents of late rinks must accept points marked on score cards by umpires and on no account can these points be waived by mutual consent or otherwise. One end will be considered played for every point so scored.

4. In the event of both competing rinks being unready to play when the signal is given, the umpire will score one point for each rink and one end will be considered played for every fifteen (15) minutes or fraction thereof they are late.

5. When ten-end games are being played umpires will signal for completion of game at two hours and ten minutes after the start of each draw, and games must finish with the completion of the end being played, plus one more end, excepting any game which may be tied at the completion of that end. Such tie games are to proceed until a point is scored to decide the game. A rock must have been thrown by a player before an end can be said to be in progress of being played.

6. When six penalty points in a ten-end game have been scored against a rink in default for being late in accordance with the foregoing rules, the umpire shall immediately de-

clare the opposing rink the winner of that game and shall report accordingly, and the committee shall take that game as having been played.

7. The two vice-skips opposing each other shall settle by tossing a coin which rink shall lead in the first end actually played.

8. Rinks must play with the rocks provided on the sheet of ice. Under no circumstances will players be allowed to use their own rocks; nor can rocks be moved from one sheet to another.

9. Except for the first game in the bonspiel, if one player on a rink be not on hand at starting time, three players may proceed with the game in accordance with the Rules of the Game, paragraph (2). The player coming late may sweep as soon as she comes upon the ice, but cannot play her stone until after the completion of an end; with the following exceptions: A skip, third or second may play if she comes upon the ice before the lead has played more than two stones.

10. The Manitoba Ladies' Curling Association will insist that all curlers living within the jurisdiction of the Manitoba Ladies' Curling Association, in order to enter in the bonspiel, shall be members in good standing of an affiliated club, and wherever possible a rink should be composed of members of the same club. The Executive Council of Manitoba Ladies' Curling Association reserves the right to drop from bonspiel play any rink which is not composed fully of members in good standing of an affiliated club or clubs. A member in good standing is one who pays the annual dues set by that club for active playing.

11. Umpires shall use measuring sticks in general use at the club to determine whether or not a rock is a counter on outer ring.

12. Rinks entered in any competition must have four active players and go through the Open Events with the four named players as entered on the official entry form, subject to Rule 12 of Rules of the Game. No substitute shall be allowed.

13. Personnel of rink must be as entered on the official entry form and they shall play in the position fixed by the skip in the playing of the first end of any game. No change in position played shall be made once the game has started.

14. In the event of a rink becoming incapacitated through illness or unavailable absence of any player, no substitute player may be entered but the three remaining players may continue to play. No sweeper is allowed for an absentee, and no rink will be allowed to continue with less than three players.

15. Unless otherwise provided in the Rules governing the competition or as set out by the Ice and Draw Committee, ten ends shall be played in each successive game, and in the event of the score being tied when ten ends have been played an extra end or ends shall be played until the winner is decided.

16. In the event of any disagreement between skips, the umpire shall be asked for a decision. In the event of his decision being disputed by either or both of the contestants (skips) the matter may be appealed to the Chairman of the Ice and Draw Committee and her decision shall be final.

17. The umpire at the close of each game shall, together with the losing skip, sign the score cards.

18. In the opening round of any bonspiel event will play as drawn regardless of the club to which they belong.

19. In connection with competition, where the question is raised as to whether a game is played or defaulted, it shall be understood that all games where six ends or more have been played the game shall be considered a played game and all games called prior to the completion of the sixth end by the Ice and Draw Committee shall be declared no contest and redrawn, the contestants to start from scratch on the new draw.

20. Where no specific rule is given to apply to competition, then the General Bonspiel Rules of the Manitoba Curling Association shall apply. Should any emergency arise during the time of the Bonspiel, the Ice and Draw Committee may change General Bonspiel Rules.

# RULES OF THE GAME

1—4. Specifications of rinks.

5. All curling stones shall be of a circular shape. No stone including handle and bolt shall exceed 44 lbs., or of greater circumference than 36 inches, or less height than 1/8th part of its greatest circumference.

6. No stone shall be substituted for another (except under Rule 7 or Rule 17) after a match has started, but the sole of a stone may be reversed at any time during a match, provided the player be ready to play when his turn comes.

7. Should a stone be broken, the largest fragment shall be counted for the end—the player being entitled to use another stone or another pair, during the remainder of the match.

8. Any stone which rolls over, or comes to rest on its side or top, shall be removed from the ice.

9. Should the handle quit the stone in delivery, the player must keep hold of it, otherwise he shall not be entitled to replay the shot.

10. Every stone which does not clear the "hog line" shall be called a "hog" and must be removed from the ice, but no stone shall be considered a "hog" which has struck another stone lying in position. A stone coming to rest after passing the "back line" and being clear of it must be removed from the ice.

11. All matches shall be of a certain number of "ends" or "shots" or "by time" as may be agreed on or as fixed by an umpire at the outset. In the event of competitors being equal, play must be continued by all the rinks engaged for one or more ends as may be agreed on, or as may be "fixed" by the umpire until the match has been decided.

12. Every rink of players shall be composed of four a side, each player using two stones, and playing each stone alternately with his opponent. No player shall wear boots, tramps, or sandals with spikes or other contrivance which may break or damage the surface of the ice. The rotation of play observed during the first end of the match or game or competition shall not be changed. Any rink not having its full complement of four players shall be disqualified, except in the case of illness or accident during the competition. If the skip, the vice-skip or the second player is absent, the lead shall play four stones in the proper rotation as lead and second player. If the lead is absent, the second player shall play four stones in the proper rotation as lead and second player.

13. The skips opposing each other settle by lot or in any other way they may agree upon, which party shall lead at the first end, after which the winners of the preceding end including extra ends if any, shall do so.

14. The skip shall have the exclusive direction and control of the game for his rink, and may play last stone, or any position in the

games he pleases, but he shall not be entitled to change his position when that has been fixed. When his turn to play comes, he shall select one of his players to act as skip in his place, and take the position of an ordinary player. No other player may act as skip except the one so designated at the start of the match. The skip may return to the tee for consultation with the acting skip. Any consultation or discussion by the skip, other than with his vice-skip shall not be conducted in or behind the rings.

15. Players during the course of each end shall be arranged along the sides, but well off the centre of the rink, as the skips may direct; and no one except the playing party and his sweepers, shall go upon the centre of the rink. Skips and/or vice-skips may stand within the circle. The skip of the playing party shall have the choice of place, and shall not be obstructed by the other skip or vice-skip in front of or behind the sweeping line, but behind the sweeping line the privileges of both shall be equal. No other player than the skips acting for the time being may stand behind the circle while play is proceeding.

16. Each player must play from the hack and in the delivery of the stone, no part of the foot on which the player is sliding shall touch the nearest hog line. Left-handed players shall play from the hack placed on the right hand side of the centre line and right-handed players shall play from the hack placed on the left hand side of the centre line. No player may hold his stone and return to the hack for another delivery once the rock has crossed the nearest sweeping line. In the event of an infraction the rock shall be removed from the ice by the playing side.

Stones delivered from the wrong hack (or by a player, any part of whose foot on which he is sliding, shall have touched the nearest hog line) shall be removed from play by the playing side immediately after the player has delivered his stone. However, if the stone so played has come to rest or struck another stone, the played stone shall be removed and the displaced stone or stones be placed as nearly as possible where they originally were to the satisfaction of the opposing skip. Both skips should agree upon the position, but failing agreement the umpire shall decide.

17. Each player must be ready to play when his turn comes and must not take more than a reasonable time to play. Should a player play a stone belonging to the other side the stone which ought to have been played shall be put in its place.

18. If a player should play out of his turn the stone so played may be stopped in its progress and returned to the player. Should the mistake not be discovered until after the stone has come to rest or has struck another stone the end shall be continued as if it had been played properly from the beginning, but the missed stone shall be played by the player missing his turn as the last stone from his

side for that end. If after consultation with the rinks and the umpire or a neutral curler thoroughly conversant with the rules, it has been agreed that a stone has been missed and it is impossible to decide which player has missed playing the stone, the lead shall play the last stone for his side for that end.

19. The sweeping shall be under the direction and control of the skips. The player's party may sweep the ice from the sweeping line next to the player to the sweeping line at the other end and any stone set in motion by a played stone may be swept by the party to which it belongs in front of the sweeping line but behind the sweeping line both skips shall have equal rights as per Rule 15. Only the skip or vice-skip of each rink directing play at the time shall be allowed to sweep behind the sweeping line. When snow is falling or drifting the player's party may sweep the ice from hack to hack. The sweeping shall always be to a side and all sweepings shall be removed from the rink. At the conclusion of the end either of the skips may call upon all players to clean and sweep the entire rink. If objected to, this shall be subject to the approval of the umpire.

20. (a) If, in sweeping or otherwise, the course of a running stone be affected by any of the party to which it belongs, it shall be removed from play, by the playing side, but if by any of the adverse party, it shall be placed where the skip of the party to which it belongs shall direct. Should the position of any stones be altered by such affected stone the skip opposed to the party at fault shall have the sole right to replace them.

(b) Should any played stone be displaced before the end is reckoned, it shall be placed as nearly as possible where it lay, to the satisfaction of the skip opposed to the party displacing. If displaced by any other party, both skips should agree upon the position to which it is to be returned, but if they do not agree, the umpire shall decide.

21. All games shall be decided by a majority of shots. A rink shall score one shot or point for every stone which is nearer the tee than any stone of the opposing rink. Every stone which is not outside the outer circle shall be eligible to count. All measurements shall be taken from the tee to the nearest part of the stone. Disputed shots shall be determined by the acting skips; if they disagree, by the umpire; or when there is no umpire, by a neutral curler chosen by the skips. No measuring of stones shall be allowed previous to the termination of the end except by the umpire when necessary for the umpire to decide whether or not a stone is alive.

22. On appeal from any competing skip, in any competition the umpire or the committee appointed for the purpose shall have the right to declare whether or not the ice is playable. In every case of postponement to another day the competition when renewed must commence "de novo."

## MANITOBA SILVER "D" PLAYDOWNS, 1962-1963

Any club affiliated with the Manitoba Ladies' Curling Association, and in good standing, shall be eligible to enter one winner only in the Competition. All competitors must be regular active playing members holding the position of Lead, Second, Third or Skip in their club for the current season. Rinks entering must have four players who are in good standing with their club. All annual dues and membership fees must be paid by December 31st, 1962.

The Province shall be divided into two Divisions; namely, Western Division and Eastern Division. Each Division shall be sub-divided into eight Districts according to geographical location.

All clubs shall be placed in their respective Districts by the Playdown Committee. Each District shall play down to a winner. District winners from Districts I to VIII shall participate in the Eastern Division finals and District Winners from Districts IX to XVI shall participate in the Western Division finals. They shall participate in a "round robin" competition to declare a winner in their respective Divisions. The Division Winners shall participate in the Dominion Silver "D" Championship (sponsored by Dominion Stores Limited), to be held in Winnipeg, February 8th and 9th, 1963.

District Games must be completed and winners' names forwarded to the M.L.C.A. Secretary-Treasurer BEFORE January 21st, 1963.

District semi-final and final games shall be 10 ends. At the District Finals, the rink winning two out of three games (to be played on artificial ice if possible), shall be declared the District Winner. Where a question is raised as to how many ends have to be played to designate a game, it shall be understood that where six ends or more have been played, said game shall be considered as played. Any protests on ice conditions must be registered by the SKIP with the Umpire prior to the completion of the sixth end. In the event that the Umpire's decision is disputed by either or both Skips, the Skips may appeal to the Chairman of the Playdown Committee and her decision will be final. Score cards are to be used in all games, and shall be signed at the end of each game by both Skips and handed to the Umpire.

To assist the Playdown Committee, each District taking part in the Playdowns shall have a District Chairman to act for her District, to take charge of her District Draw, to arrange for her District Games to be completed and to act as District Umpire for these games. In addition, each District shall have a Vice-Chairman, who shall NOT be a member of the same club as the District Chairman. Where a large District has been sub-divided into two sections, the Vice-Chairman shall be appointed from the section not represented by the District Chairman, and shall discharge the duties for the Chairman in her section of the District. In the absence of the District Chairman, the District Vice-Chairman shall take her place and discharge the duties of her position in the District. At the time of the District Meeting, a Vice-Chairman shall be appointed for a two-year term. Upon completion of her term as Vice-Chairman, she shall hold the position of Chairman for a two-year term.

The District Chairman shall be responsible for a full report on Play-down activities in her District. This report is to be submitted **in writing** to the Chairman of the Playdown Committee immediately following the completion of the District Games. Reports from Districts I to VIII will be presented at the Eastern Division Meeting (at Selkirk in 1963). Reports from Districts IX to XVI will be presented at the Western Division Meeting (at Virden in 1963).

One substitute will be allowed in case of illness or accident or a justifiable reason, but the name of the substitute must be given when the four names of the District winning rink are sent to the M.L.C.A. Secretary-Treasurer prior to January 21st, 1963. Any four of the five players may play wherever the Skip wishes to place them, at the District level. The substitute **MUST** be a regular active playing member in good standing holding the position of Lead, Second, Third or Skip, in the winning rink's club.

In the Silver "D" Championship to be held in Winnipeg on February 8th and 9th, 1963, no substitution will be permitted after the competing rinks have actually commenced play. In the event that illness or accident compel the Skip, Third, Second to retire, the Lead shall play four stones. If the Lead shall be compelled to retire, the Second shall play four stones. Should the incapacitated player resume play, each player shall return to her original position.

The Dominion Silver "D" Champion rink shall hold the Dominion Silver "D" Trophy for one year. The Dominion Silver "D" Champion rink shall be eligible to represent Manitoba in the competition for the Canadian Ladies' Curling Association Championship, the Dominion Diamond "D."

In the event that the winning rink is unable to represent Manitoba in the Dominion Diamond "D" Championship, the M.L.C.A. Executive shall declare the runner-up as the Provincial representative.

All matters not dealt with in these rules, shall be governed by the "Rules of The Game" as printed in the M.L.C.A. Annual Year Book.

Any town that has sufficient ice, and accommodation available for eight (8) rinks and the Committee members, may apply for the Division finals to be held in their town.
